Did you 'Notice the Board'?

DCCC are delighted to introduce our first big step in improving communication within the community. These solar powered, exceptional quality noticeboards will be the envy of our neighbours. Keyholders can be contacted by emailing or messaging our facebook page.

Meet the team!

Kirsten Edgar

Nurse, Farmer, Mum of 3!
You may well wonder how on earth Kirsten finds the time to also act as CC Treasurer!
Mirroring her own nature; Kirsten is passionate that Dalton and Carrutherstown should be an inclusive, friendly, sociable and supportive community.

Roads Update

Our CC is lucky enough to include an individual with exceptionally detailed knowledge in this field and he has been putting this superpower to great use! A recent meeting with NOT ONE BUT TWO departments of Dumfries and Galloway Council has progressed some major issues in our community. Some of the 'quick fixes' are already in progress but we won't stop there. We have big plans for our little patch of D and G! Plans that will make it a safer and more enjoyable space for locals and visitors alike.

Primary School Upgrade

We are delighted to hear that contractors have been appointed to replace the RAAC in the roof space of Carrutherstown Primary. Work is expected to take around 6-8 months. During this period the children will be housed in a modular building within the playground which allows them to maintain their identity and access to the wonderful playground. Access down the school road is likely to be restricted and at 9am and 3pm we expect school traffic to cause some congestion but staggered pick-up times are planned to help with this.

Saving Lives

Our community is offering two free training sessions this month. Give yourself the vital knowledge and confidence to save a life!

Dalton Hall Update

Funding from various sources including DCCC and a huge personal effort from the Dalton Hall Committee, has resulted in some impressive improvements. Efficient and effective heating and new flooring in the kitchen area are huge steps in the grand plan of hall improvements, ensuring an excellent space to gather for generations to come.

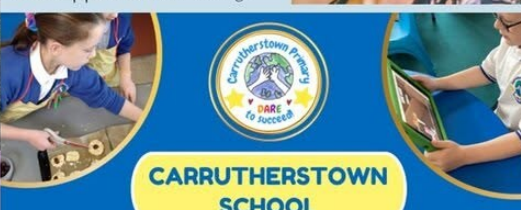

Remembrance Day

Join us Tuesday 11th Nov 10.40am at
